### AWARD

This is a Complaint made U/S 33 of the Industrial Dispute Act, 1947 (hereinafter called 'The Act') by Surya G. Kavlekar (hereinafter called 'W/C') against Xaverian Press Training School Pilar (Goa) (hereinafter called EE/RR) on the following grounds:—

- (1) That a reference is pending before this Tribunal made by the Government of Goa, Daman and Diu on 7-2-76 and registered under No. IT/5/76 in connection with certain Demands made by the Workmen of the EE/RR namely Demands for Confirmation of Service, Grouping of Work and Revision of Pay Scale, D. A. and A. D. A., Night Shift Allowance, Leave, Working Hours and Public Holidays;

- (2) That while the above Reference is still pending before this Tribunal, W/C who was appointed as a Compositor with effect from 2-1-73 and was confirmed from July, 1973, was refused employment from 14-5-76 by the EE/RR managed by Fr. Cyril Mendes.

- (3) That in view of the above Refusal or Termination of Services the W/C approached the Union and raised a dispute with the EE/RR demanding his Reinstatement in Service with full Back Wages and Continuity of Service under letter No. NAPEU—Kovlekar-Xavier/76 dated 7-6-1976 which the EE/RR did not even care to reply and therefore moved to the Commissioner for Labour and Employment who started Conciliation Proceedings which EE/RR did not care to attend.

- (4) That the Termination of the Services of W/C is illegal, unjustified, amounts to unfair labour practice and is intended to victimize and harass him for his Trade Union activities.

- (5) That the EE/RR has recently manipulated to sign an Agreement with 10 Workmen who are in minority which was not approved by the W/C.

2. The EE/RR filed their Reply in which it was alleged as under:—

- (1) That the Complainant is not a 'Workman Concerned' in the Dispute pending before this Tribunal namely Reference (IT-GDB) No. IT/5/1976.

- (2) That the Complaint is not maintainable since the EE/RR did not violate any of the provisions of S. 33 of the Act.

- (3) That W/C had voluntarily left his services on the ground that EE/RR has failed to provide him full time job.

- (4) That without prejudice to the above submissions, it is submitted that W/C was in purely temporary employment of EE/RR from 2-7-73 to September, 1973, and during the above period, he had worked for only 174 days and thereafter, he was employed from February, 1974 to 12-5-75 also in temporary employment and again he was engaged on purely temporary basis from 19-4-74 to 11-5-1975.

- (5) That sometime in November 1975 the Management noticed that the W/C was mentally unsound and during the entire month of November 1975 he hardly worked for 10 days and finally submitted his Resignation on 11-12-75 so that after his resignation was accepted, his accounts were finally settled on 22-12-75.

- (6) That the Management came to know that W/C was undergoing medical treatment for his mental illness and was admitted to the Psychiatric Ward of the Goa Medical College Hospital on 3-2-76 and absconded the same night from the Ward.

- (7) On March, 1976, the W/C approached the Management asking for some job and though they were reluctant to employ him, on purely humanitarian grounds he was offered part time job on the undertaking that he will produce a Certificate of Cure from his illness from the Competent Authority which he did not produce.

- (8) That on 15-5-1976, W/C demanded full time employment from EE/RR and that it was explained to him that it was not possible to give him full time employment at that juncture and at any time without producing the Medical Certificate.

- (9) That W/C was irregular in his attendance even during his Temporary Employment.

- (10) That it is false that the services of W/C were illegally terminated and such termination amounts to unfair labour practice and victimization.

3. W/C filed his Counter Reply on 28-4-77 alleging that he was sick for few days and denying all the allegations made by EE/RR made in their W. S.

4. Thereafter, Statement of the W/C was recorded as well as that of Fr. Monteiro, the present Manager of EE/RR and during the examination, both the parties produced Documents which are marked as exhibits and are on record.

5. Thereupon, the parties came to an Amicable Settlement terms of which are seen from the Memorandum of Settlement recorded on 8-9-80. In terms of this Settlement, the EE/RR had agreed to pay on 15th inst. to W/C the amount of

Rs. 720/- in full and final settlement of all his Claims and W/C has declared that he has no other claim whatsoever against EE/RR. Both parties have prayed for a Consent Award in terms of the Settlement.

6. Accordingly, the following Order is made:—

#### IN THE INDUSTRIAL TRIBUNAL, GOA, DAMAN AND DIU, AT PANAJI

(Before Dr. J. J. Coelho, Hon'ble Presiding Officer)

Reference No. IT/12/77

Shri Datta L. Naik  
V/s.  
M/s. Pandurang Timblo Industries,  
Margao, Goa. — Employers/Party II

Workman/Party I represented by Shri Prabhakar Godge,  
President of Goa General Offices and Establishments  
Staff Association and by Shri Albano Viegas, Advocate.

Employer/Party II represented by Shri S. N. Karmali,  
Advocate, Vasco-da-Gama.

#### AWARD

This is a Reference made by the Government of Goa, Daman and Diu under its Order dated 26-4-77 of an Industrial Dispute existing between the Management of M/s. Pandurang Timblo Industries, Margao, Goa (hereinafter called the 'EE/P-II') and their Workman Shri Datta L. Naik (hereinafter called the 'W/P-I') represented by Goa General Offices and Establishments Staff Association, Margao, Goa.

2. The terms of the Reference are as follows:

"Whether the action of the Management of M/s. Pandurang Timblo Industries, Margao, Goa, in transferring Shri Datta L. Naik, Accounts Clerk from Margao to Curchorem with effect from 21-4-76 is legal and justified?

If not to what relief the concerned workman is entitled to?"

3. In the Claim Statement filed on 11-10-77, the W/P-I has alleged as follows:

(1) That he was employed as a Clerk at the Head Office of M/s. Timblo Irmaos Limitada, Margao, Goa, since 11-11-61 under an Appointment Letter issued on 30-8-72 with retrospective effects from 11-11-61.

(2) That sometime later the Company was reconstituted and renamed as M/s. Pandurang Timblo Industries but he continued to be in the Service of the Company after the reconstitution on the same Terms and Conditions of Employment as before and with Continuity of Service.

(3) That the Head Office Staff of EE/P-II and their Services are not transferable to the remaining Offices of the Company.

(4) That the Letter of Appointment does not state that his Services or he could be transferred from the Head Office to the remaining Offices.

(5) That there is no practice of the Company transferring their Employees working at the Head Office to other Offices or vice-versa.

(6) That sometime before 3-1-76, he and his colleagues at the Head Office joined the Goa General Offices and Establishments Staff Association registered under the Indian Trade Union Act, 1926 (hereinafter called the 'Union') and in the General Body Meeting of the said Union held on 3-1-76, he was elected as Treasurer of the new Executive Committee and this fact was conveyed to the Management of EE/P-II under letter No. M-3/76 of 7-1-76.

(7) That after the receipt of the above Letter, the Management started a campaign of harassment against the Employees of the Company in general and against him in particular, which campaign culminated with his Transfer made by EE/P-II under Order dated 12-4-76 directing him to report for duty on 19-4-76 at the Curchorem Office of the Company.

(8) That immediately on receiving the above Order he protested by his Letter dated 19-4-76 against the Transfer as it was in violation of the Terms and Condi-

tions of his Employment and requested the Company to withdraw the same Order and a Copy of this Letter was endorsed to the Union.

(9) That by Letter dated 20-4-76, the Union, on its side, represented to the EE/P-II that his Transfer was in contravention of his Terms and Conditions of Service and was Vindictive in Nature and it was intended to punish him for his Trade Union Activities and demanded the cancellation of the transfer Order.

(10) That inspite of the above Representations, the Management stuck to its decision and, therefore, the Union raised an Industrial Dispute under its letter No. LCC/51/76 dated 2-4-76 before the Commissioner for Labour.

(11) That on their part, the other Staff Members of the Head Office protested to the Management against his Transfer under their letter dt. 23-4-76.

(12) That on 23-4-76, the Commissioner for Labour sent a Telegram to the Management to maintain status quo ante and attend the discussions to be held in the Conciliation Proceedings. But the Management refused to withdraw or keep in abeyance the Transfer Order and allow him to attend duty as usual and actually prevented him from signing the Muster Roll w.e.f. 24-4-76.

(13) That the Conditions of Employment at Curchorem Office are not the same as those at the Head Office and by virtue of his Transfer, he has to bear Additional expenditure of Rs. 150/- per month towards Travelling, Meals, etc. and spend five hours more in journey to go to Curchorem Office and vice-versa.

(14) That for the above reasons his Transfer from Head Office to Curchorem Office is illegal, wrongful and amounts to victimisation and unfair labour practice.

4. On the other side, the EE/P-II in their Written Statement filed on 30-11-77 made the following counter-allegations:

(1) That the W/P-I was appointed by M/s. Timblo Irmãos Limitada w.e.f. 11-11-61 as a Clerk and thereafter absorbed as a Clerk on the same Terms and Conditions of Service in the present Company which sprang up from the previous Company.

(2) That following was one of the Conditions of Service:

"6. Your duties will be such duties as you may be reasonably required or directed to carry out by the Management or those in authority over you".

(3) That the W/P-I who was normally working in the Account Department of the Head Office of the Company was entrusted with Outdoor Work such as in the Govt. and other Offices and has been carrying on the same without any objection.

(4) That when their Curchorem Office came in need of an additional hand, the Management could not think of another staff member who could be suitably transferred to that Office but of W/P-I as to the remaining three staff members in the Accounts Department could not be transferred as each one of them was holding very special work and the W/P-I was the only junior clerk who could meet the requirements.

(5) That there was no question of victimisation since the W/P-I could come every evening to Margao and carry out his Union activities freely.

(6) That it is an inherent right of the Employer to transfer the members of the Staff from one department to another and from one place to another, without which the very activity of the Employer would come to a standstill.

(7) That they have undertaken to Compensate the W/P-I for the immediate financial loss he could come to suffer though they were not bound to do so.

(8) That they could not agree for the cancellation of the Transfer Order not only because it was not in its business interest but also because it would have been

a highly bad precedent and expose the Management to the ridicule of the Staff not only in the Department where W/P-I was working but also in other Departments.

5. Though the Reference was ripe for hearing held in November, 1977, no further proceedings took place and when it was fixed for hearing on 28-3-80, Shri Viegas appeared for the W/P-I while none appeared for EE/P-II though notice of the hearing was duly served on the Advocate Karmali who was representing them. The Acknowledgement Receipt of the Notice served on Shri Karmali is on record.

6. Thereafter, W/P-I was examined on oath. He spoke to his Deposition to the following facts:

Since 11-11-61 (the time when he first joined the EE/P-II) till he was transferred to Curchorem Office, he has been invariably working at the Head Office as Accounts Clerk though sometimes he has done Outdoor Work (as also all other employees of the Company) at Government Offices at Panaji.

Sometime in 1974, he and other his colleagues formed the Union and at its General Body Meeting held on 3-1-76, he was appointed as Treasurer of the new Executive Committee and this fact was brought to the notice of the EE/P-II, and that was the turning point of his good relations with them.

He filed some Documents in support of his Statement and they are on record marked as Exhs. W-1 to W-8.

7. The question now before me is whether the attack made by the W/P-I against the Transfer Order succeeds.

8. Now, a Transfer Order can be successfully challenged on the following grounds:

(a) If the Transfer is in violation of the Rules, Standing Orders or Contract.

(b) If it is actuated by malafides — National Radio Corporation V/s. Workmen, 1967 I LLJ, 282 (hostility of management proved, victimisation, unfair labour practice or some other ulterior motive not connected with business interests of the Company), Canara Banking Corporation V/s. Vithal, 1963 II LLJ 354; Bejdik Colliery V/s. Madan, 1967 I LLJ 589; Syndicate Bank V/s. Workmen, 1966 I LLJ 440 (S. C.)

(c) If the Transfer effects a Change in Service Conditions by subjecting the Employee to more onerous work, Begdik Colliery V/s. Madan, 1967 I LLJ 589.

9. Now, in this case, it has been alleged by W/P-I that the Transfer Order is violative of his Conditions of Service beside being malafide or an act of victimisation for his Trade Union activities.

10. I shall first see whether the Transfer Order is violative of the Condition of Service of W/P-I as alleged by him.

Now, in this respect, it is pertinent to note that the Letter of Appointment does not provide that W/P-I could be transferred from the Head Office to the other Offices of the Company. It is also true that W/P-I has alleged that there was no practice of the Company transferring its Employees working at the Head Office to any other Office and vice-versa. This allegation has not been denied. Further there is on record that the W/P-I worked continuously for 15 years.

So, it appears that though the Letter of Appointment had provided that W/P-I's duties were such as he may be reasonably required or directed to carry out by the Management or those in authority over him, his transfer from the Head Office to any other Office was beyond all reasonable expectation not only of his own but of his co-employees in the Head Office when it was made all of a sudden after 15 years of continuous service.

11. However, from the side of the EE/P-II it has been alleged that it is an inherent right of the Employer to transfer the Employee from one department to another and from one place to another.

12. To my mind, there is some truth in this assertion. In any case, however, I shall not dispute this contention

(and actually Shri Viegas, learned Advocate for W/P-I, did not dispute it when he argued the matter before me). I shall proceed on the assumption that transfer is the Management function and the Tribunal should be slow in interfering with that function. Even then, if the Order of Transfer is shown to be malafide or for some ulterior purpose like of punishing the Employee for his Trade Union activities, the Industrial Tribunal should interfere and set it aside because malafide exercise of power is not legal exercise of power. (Syndicate Bank Ltd. V/s. Their Workman AIR 1966 S. C. 1283).

13. Now in the instant case, though the EE/P-II have alleged that the Transfer of W/P-I was motivated by necessity of their business at their Curchorem Office and that W/P-I was the only employee who could be considered for transfer, they did not care to prove any of these allegations. Simply saying that W/P-I was the only junior clerk who could meet the requirements of the situation when their Curchorem Office came in need of an additional hand is not justification at all. In fact, it leaves many unanswered questions such as for instance as to why the EE/P-II did not transfer him from the Head Office to Curchorem Office during his long and continuous service of 15 years to the Company at the Head Office, but only after he started playing a leading role in the activities of the Union.

14. On the other side, the W/P-I has deposed in a way to show that his Transfer from the Head Office to Curchorem Office was an act of victimisation for Trade Union activities and unfair labour practice and this is quite clear from the facts on record. It is not without significance that all this happened after the Union was formed and W/P-I was elected Treasurer of the Executive Committee in the Meeting of the General Body of the Union held on 3-1-76 and this fact was brought to the notice of EE/P-II by the President of the Union under his letter dated 7-1-76. In this context, W/P-I has rightly said that his election as Treasurer of the Executive Committee of the Union was the turning point of his good relations with the EE/P-II and, there is no difficulty in admitting that as correct assessment of the situation in view of the evidence on record. No proof whatsoever has been produced by the other side to show that this was not the case and there was some good reason to explain the Transfer.

15. W/P-I has further spoken to the fact that due to the Transfer, he has to incur additional expenses of Rs. 150/- p.m. for travelling and meals out of his meagre Salary of Rs. 350/- per month and spend 5 additional hours in journey from his original place of work to the Curchorem Office. Though EE/P-II have stated that they have undertaken to compensate W/P-I for the financial losses he is incurring on account of his Transfer, it is a fact that there seems to be nothing in the Transfer Order to show that any such burden has been expressly or impliedly placed on EE/P-II by the Transfer Order. In any case, this is immaterial because as I said above, the Transfer Order is malafide and on that ground alone is liable to be quashed.

16. The third ground on which a Transfer Order can be challenged is when such Transfer effects a change in service conditions by subjecting the employee to more onerous work. In this case, the EE/P-II did not even care to produce evidence for proving that the work which W/P-I had to transact at Curchorem Office was not more onerous than the one he was doing for more than 15 years at the Head Office or that it was a work that he could do without much strain, but since it has already been proved that the Transfer has added to the financial and other burdens of the W/P-I, I need not stress this point since I have already shown that the Transfer Order is malafide and amounts to victimisation and unfair labour practice and on that ground alone is liable to be set aside.

17. For the foregoing considerations, I pass the following Order:

#### ORDER

The action of the EE/P-II in transferring the W/P-I from Margao to their Curchorem Office w.e.f. 21-4-76 is illegal and unjustified and W/P-I is entitled to be trans-

ferred back to his original post at Margao with additional pay, allowance and other benefits, if any due.

The EE/P-II to pay costs of Rs. 200/- to the W/P-I and take appropriate action for compliance of this Award.
